Dear Mr. Margules:

Thank you for your correspondence of April 15, 2008. I am aware of the status of Citizen's pending Motion for Summary Judgment. While I am mindful of your request to clarify the procedural status of the matter before my anticipated correspondence of next week and ultimately at the September 4, 2008 hearing, in the interest of efficiency I intend to proceed as I have advised.

Vincent J. Poppiti

Special Master

Yours very truly
